MARK YOUR CALENDARS FOR SEPTEMBER 21ST!

What is that date you ask? Well, let me tell you, that is the date for the Alarm Association of Greater St. Louis' 6th annual big fall product expo and fund raising golf tournament. And this year, we are shakin' it up by combining the product show and the golf tournament on the same day. This is scheduled to take place on Tuesday September 21st at the spectacular Pevely Farms Golf Resort located about fifteen minutes west of St. Louis just off I-44 (Exit 266) in Eureka, MO.

This will be an event filled day and definitely worth setting some time aside to come and check out the latest and the greatest that the alarm industry has to offer even if you are not a golfer. And if you are not a golfer, then this is the perfect time to give it a try because you will be playing with some of the worst golfers and some of the best non-golfers there are.

COME FOR THE BIG PRODUCT EXPO and enjoy a round of golf afterwards. This year, the product expo will be held at the outdoor pavilion at the beautiful Pevely Farms Golf Resort starting around 11am and wrapping up around 1pm. Come and see what the vendors are offering, grab a bite to eat from 11:45 to 12:45 and bring out the golf clubs. Tee time is tentatively at 1pm. We will be sending out periodic updates as we get more details.

PRODUCT SHOW: Vendor display space with skirted table is just \$380.00 and electric will be provided if needed.

GOLF TOURNAMENT: Registration for a four man team is \$500.00 and individual players can register for \$125.00. Hole sponsorship is just \$100.00. In addition, we are seeking donations for prize give-a-ways and there will be a 50-50 raffle again.
