

LEVEL ONE CERTIFIED ALARM TECHNICIAN COURSE

This class is designed for staff and business owners who have at least 3 months experience. Those who have less than 3 months experience are welcome to take this course, but should expect to make an extra effort. In 22 hours of intensive instructions, this program provides an overview on the theory, installation and maintenance of alarm systems.

The course of study includes:

- Introduction Basic Electricity
- Standards Perimeter Detection
- Space Detection Fire Systems
- Control Panels Communications
- CCTV Job Planning
- False Alarm Prevention
- 300+ page Reference Manual
- Certification Exam

Course Fees:

ESA Members – \$395.00

Non-Members – \$495.00

*Courses begin at 8:30am and conclude at 5:00pm.
Students are responsible for their own meals and lodging.*

Specific location and directions are sent with registration confirmation materials.

If you do not see your city or are interested in having a private class for your company, please call NTS at 866-636-1687

Please contact the NTS Office a minimum of 10 days prior to the beginning of the course if you require special accommodations for a disability.

Cancellation Policy: Written cancellation at least 10 days prior to first day of course – 100% of course fee refunded. Written cancellation less than 10 days prior to first day of course – receive credit of 50% of paid fees towards future course taken within the next 6 months.
